

Dear First Grade Families,

We are very excited about our next school year. Below you will find the list of supplies your child will need for First Grade.

Note that supplies are separated into two columns. **Please only send your child to school on the first day with supplies listed under the first column.** They should be able to carry their “1st day of school” supplies themselves in a reusable bag. The rest can be sent to school (with them) throughout the month of September.

Also, please DO NOT label supplies with your child’s name – all of it will be shared.

| Supplies Needed on 1st Day of School | Supplies Needed by end of Sept. |
