

Dear Second Grade Families,

The supply list below is created in order to establish and maintain a well-organized classroom environment and educational experience. Each item serves a specific and important purpose for this reason. Please note that specific brands or requirements are based on durability and quality and last longer. It is also important that your child come to school with all the supplies necessary. Not having required supplies greatly affects organization, preparedness and ultimately academic growth.

Thank you for your cooperation. We look forward to a wonderful school year together!

---

Please be sure that backpacks purchased are large enough to hold school materials and can easily be carried up to the 2<sup>nd</sup> and 3<sup>rd</sup> floors (NO rolling backpacks). Also, as our school takes steps towards reducing its carbon footprint, every student is required to bring their own non-disposable water bottle to school every day. ***We are an eco-school. Please consider shopping locally.***

Thank you again!

~ The 2<sup>nd</sup> Grade Team
